OFFICE OF THE PRESIDENT

August 9, 1972

Dear General Walters:

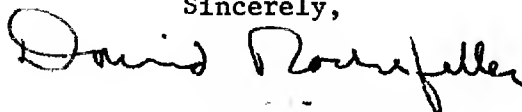

We are writing to invite you to a dinner on Thursday, September 28 in New York City. The dinner is being held by the Council for Council members and their husbands and wives to celebrate the 50th Anniversary of the organization. The main speaker for the evening will be the Secretary of State.

In view of the special character of this event, the Council is departing from tradition to invite a number of non-Council members, together with their wives or husbands, to be its guests at the dinner, which will be held at the Americana Hotel, and to attend a pre-dinner reception being held for them at the House of the Council. Special invitees will be leaders in Congressional and Executive positions directly related to international affairs, members of the ambassadorial corps, and officials of the United Nations.

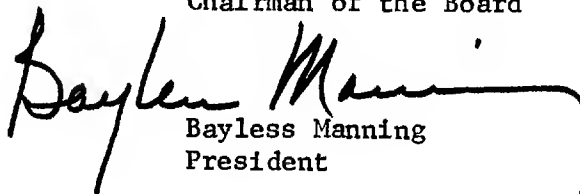

We very much hope that you will be free to join us for this event. Your official invitation containing details will come to you in mid-August. We wanted, however, to write to you at this time so that you could, if you wish, mark this date in advance on your fall calendar.

With good wishes,

Sincerely,

David Rockefeller
